FORCE GAUGE (PUSH PULL GAUGES), TORQUE GAUGES/TESTERS, FORCE TESTING SYSTEM & TESTER FOR FOOD INDUSTRY.

Imada's force tester are used worldwide in R & D and quality control of every industry to assess And ensure the quality. IMADA offers a wide range of force testing products and know-how Accumulated for many decades, enabling you to measure a huge variety of 'force' such as mechanical strength (breaking / deformation force) Tactile sensation (softness/hardness) functionality of operational physical force & more.

MULTI FUNCTIONAL ILLUMINATED MAGNIFIERS

To many of us, magnification product are an essential part of our daily lives. No matter what the application is for, a magnifier enhances one's ability to perform or enjoy a task or hobby. Some of the more common applications where magnification if critical include :

Reading & Writing, Jewellery Repairs and Production, Electronic Repairs and Production, Eyeglass repairs and Production, Scientific Studies, Sewing and needlepoint, Embroidery, Model Building, used for crack detection & also used by some automobile manufacturers for assembling of their products.
